#### *Allowable Subject Matter*

2. Claims 1-22 are allowed.
3. The following is an examiner's statement of reasons for allowance:  
Regarding claims 1-17, the primary reason for allowance is the combination of providing an interposer with a first device received in a receptacle in the interposer and a second device overlying the interposer, where the first device is electrically connected to the interposer by conductive members including laterally extending portions that are at least partially carried by a surface of the second device.
